

Nomenclator de produse

Seria **ProStandard**

Produs **Tablou electric compensare energie reactiva tip TECER**

Codificare [X] L - local / R - in retea (sistem).

[Y] F - fix / A - reglare automata, in trepte.

[Z] S - cu sigurante / I - cu intreruptor de sarcina (optional)

[W] putere reactiva echipament Q [kVAr]

[Q] tensiune nominala de utilizare U [V]

Dimensiuni Standard cf tabel h x l x a mm

Grad de protectie Specificati in clar in comanda gradul de protectie solicitat ; standard IP54

Culoare Standard RAL 7032 Almond Bright

Indicatii pentru comanda Alegeti varianta dorita si completati apoi in comanda codul de produs.
Pentru variante nestandardizate alegeti codul 2003550 si completati datele dorite.
